

Remarks

Applicant respectfully requests that the Examiner consider the attached claims in addition to those previously submitted. Applicant believes that since these claims are of narrower scope, and specifically exclude delivery through the internet, examination of the additional claims would not impose an excessive burden.

The Examiner is respectfully invited to telephone the undersigned to discuss any issues regarding patentability, so that an early resolution of these issues may be facilitated.

Respectfully submitted,

Shaukat A. Karjeker
Registration No. 34,049
